Code	Title
EIMASTADMA	MSc Manufacturing Management

You can find full details of your course in the *Programme Specification*.

Important points

- Accreditation is a mark of assurance that the degree meets the standards set by the Engineering Council in the UK Standard for Professional Engineering Competence (UK-SPEC).
- Previous awards have recognition by the Institute of Manufacturing (IManf) and graduates of this programme are entitled to "Fellow membership of The Institute of Manufacturing" and, once they can demonstrate 2 years' work experience in Manufacturing Management, they will be entitled to apply for the award of "Certified Manufacturing Practitioner". The same recognition is being sought for the award for the 2020 intake onwards.
- The University of Hertfordshire has over 60 years' experience of teaching engineering, we have long-established links with the industry. Our links with businesses ensure that our courses are tailored to meet the needs of employers.
- This master's course was introduced in response to the importance of manufacturing engineers to the sector as well as recognising the strategic value of skilled operations managers.
- This course will develop skills and advance knowledge on the broad areas of business, operations management, information systems, product development and quality systems.
- The programme is offered in full-time and part-time modes.
- Full-time students
 - Semester A (September) Entry in Option 1 is to include an early start of project module in a study pattern of semester A, B then C. It runs over one calendar year.
 - Semester A (September) Entry option 2 is to select a longer study time in a study pattern of semester A, B then A. It will run for a period of 18 months.
 - Semester B entry in January runs over 18 months with a pattern semester B, A then B.
 - Identical modules will be studied on both September and January intakes.

- In a part-time mode, the programme is normally offered in 3 years with identical modules studied with the full-time students.

Academic Year

Academic Year 2021 – 2022

The University's academic year is made up of 3 Semesters. Normally most undergraduate programmes use Semesters A and B, additionally postgraduate programmes and specific undergraduate programmes use Semester C. Each of these is made up of teaching weeks followed by exams (the re-sit period falls within Semester C).

- Semester A runs from Monday 27 September 2021 to Friday 21 January 2022
- Semester B runs from Monday 24 January 2022 to Friday 13 May 2022
- Semester C runs from Monday 16 May 2022 to Friday 09 September 2022
