About your course

Courses covered

Code	Title
CCPGFMPH	MA Photography

You can find full details of your course in the *Programme Specification*.

Important points

- The MA Photography degree allows you to develop your Photography skills and knowledge to a more advanced level.
- The course is suitable for those interested in commercial and/or fine-art approaches to photographic practice.
- You will develop a personal portfolio which in approach, style and vision looks to the forefront of creative current practices.
- This postgraduate degree allows you to extend your theoretical and contextual understanding of photographic media and wider creative arts practices, their audiences and culture.
- Develop professional-level enquiry, research, creative invention, project planning and management practices.
- Exhibit in the in-house PG Art gallery space and externally once a year.
- Additional expenses vary according to the nature of the Final Major Project the student chooses to undertake and the figures below are merely indicative.

Academic Year

Academic Year 2020 – 2021
